

# Come By The Hills

All: Come by the hills to the land where fancy is free  
And stand where the peaks meet the sky and the rocks reach the sea  
Where the rivers run clear and the bracken is gold in the sun  
And cares of tomorrow must wait till this day is done.

Women: Come by the hills to the land where life is a song  
And sing while the birds fill the air with their joy all day long  
Where the trees sway in time, and even the wind sings in tune  
And cares of tomorrow must wait till this day is done.

Men: Come by the hills to the land where legend remains  
Where stories of old fill the heart and may yet come again  
Where our past has been lost and the future has still to be won  
And the cares of to-morrow can wait 'til this day is done

All: Come by the hills to the land where fancy is free,  
And stand where the peaks meet the sky and the rocks reach the sea,  
Where the rivers run clear and the bracken is gold in the sun;  
And cares of tomorrow must wait till this day is done.

All: And cares of tomorrow must wait — — till this day is done.
