

# Bless 'Em All

Men: Bless 'em all, bless 'em all,  
The long and the short and the tall;  
Bless ev'ry blondie and ev'ry brunette,  
Some we remember, and some we forget;

Men: But we're giving the eye to them all,  
The ones that appeal or appall;  
We stall and we tarry,  
While they wanna marry,  
But never-the-less, bless 'em all!

Women: Bless 'em all, bless 'em all,  
The long and the short and the tall;  
Bless all the poor guys and those with the jack;  
Fact is we love ev'ry wolf in the pack!

Women: Oh, we've got our hooks out for them all,  
We're always at home when they call.  
They make our hearts tingle,  
They wanna stay single,  
But nev er the less, bless 'em all!

All: Bless 'em all, bless 'em all  
The long and the short and the tall  
Bless all the sergeants and double-U 0 ones  
Bless all the corp'rals and their blinkin' sons

All: 'Cause we're saying good-bye to them all  
As back to their billets they crawl  
You'll get no promotion  
This side of the ocean  
So cheer up my lads, bless 'em all!
