

Any Dream Will Do

Andrew Lloyd Webber/Tim Rice

All: I closed my eyes, Drew back the curtain
To see for certain, What I thought I knew
Far, far away, Someone was weeping
But the world was sleeping
Any dream will do.

All: I wore my coat (*I wore my coat*), With golden lining (*Aaah*)
Bright colours shining (*Aah*), Wonderful and new
And in the east (*And in the east*), The dawn was breaking (*Aaah*)
And the world was waking (*Aah*)
Any dream will do.

All: A crash of drums, a flash of light
My golden cloak flew out of sight
The colours faded into darkness
I was left alone

All: May I return (*May I return*) To the beginning? (*Aaah*)
The light is dimming (*Aah*) And the dream is too
The world and I (*The world and I*) We are still waiting (*Aaah*)
Still hesitating (*Aah*)
Any dream will do.

All: A crash of drums, a flash of light
My golden cloak flew out of sight
The colours faded into darkness
I was left alone

All: May I return (*May I return*) To the beginning? (*Aaah*)
The light is dimming (*Aah*) And the dream is too
The world and I (*The world and I*) We are still waiting (*Aaah*)
Still hesitating (*Aah*)
Any dream will do.

All: Give me my coloured coat, my amazing coloured coat!
Give me my coloured coat, my ama__zing __co__loured __coat!
