

Get Me to the Church on Time

from My Fair Lady by Rogers and Hammerstein

Women: A few more hours, that's all the time you've got
A few more hours before you tie the knot

Men: There'll be drinks and girls all over the town
And I gotta track 'em down in just a few more hours

All: I'm gettin' married in the mornin!
Ding, dong, the bells are gonna chime!
Pull out the stopper, we'll have a whopper
But get me to the church on time!

All: I got to get there in the mornin',
Spruced up and lookin' in my prime!
Girls come and kiss me, say that you'll miss me
But get me to the church on time!

Men: If I am dancin', roll up the floor
If I am whistlin', <whistle> me out the door

All: I got to get there in the mornin'
Ding, dong, the bells are gonna chime!
Kick up a rumpus, but don't lose the compass
Get me to the church, get me to the church
For Gawd's sake, get me to the church — on — time!

Men: If I am flyin', then shoot me down
If I am wooin', get her out of town!

All: I've got to get there in the morning
Ding, dong, the bells are gonna chime!
Punch me and jail me, stamp me and mail me
But get me to the church, get me to the church
For Gawd's sake, get me to the church — — — on — — — time!
