

I Can't Help Falling in Love With You

Elvis Presley

Men: Wise men say
Only fools rush in
But I can't help falling in love with you

Women: Shall I stay
Would it be a sin
If I can't help falling in love with you?

Men: Like a river flows
Surely to the sea
Darling, so it goes
All: Some things are meant to be

All: Take my hand
Take my whole life too
For I can't help falling in love with you

Women: Like a river flows
Surely to the sea
Darling, so it goes
All: Some things are meant to be

All: Take my hand
Take my whole life too
For I can't help falling in love with you
For I can't help falling in love with you
