

# I'll Never Fall In Love Again

*Burt Bacharach/Hal David*

Men: What do you get when you fall in love?  
A girl with a pin to burst your bubble  
That's what you get for all your trouble  
I'll never fall in love again  
I'll never fall in love again

Women: What do you get when you kiss a guy?  
You get enough germs to catch pneumonia  
After you do, he'll never phone ya  
I'll never fall in love again  
I'll never fall in love again

All: Don't tell me what it's all about  
'Cause I've been there and I'm glad I'm out  
Out of those chains, those chains that bind you  
That is why I'm here to remind you

Men: What do you get when you fall in love?  
You only get lies and pain and sorrow  
So for at least until tomorrow  
I'll never fall in love again

All: I'll never fall in love again

All: Don't tell me what it's all about  
'Cause I've been there and I'm glad I'm out  
Out of the chains, the chains that bind you  
That is why I'm here to remind you

Women: What do you get when you give your heart  
You get it all broken up and battered  
That's what you get, a heart that's shattered

All: I'll never fall in love again

All: I'll never fall in love again
