

Memphis, Tennessee

Chuck Berry

All: Long distance information, give me Memphis, Tennessee
Help me find the party trying to get in touch with me
She could not leave her number, but I know who placed the call
'Cause my uncle took the message and he wrote it on the wall

All: Help me, information, get in touch with my Marie
She's the only one who'd phone me here from Memphis, Tennessee
Her home is on the south side, high up on a ridge
Just a half a mile from the Mississippi bridge

All: Help me, information, more than that I cannot add
Only that I miss her and all the fun we had
But we were pulled apart because her mom did not agree
And tore apart our happy home in Memphis, Tennessee

All: Last time I saw Marie, she was waving me goodbye
With hurry-home drops on her cheek that trickled from her eye
Marie is only 6 years old, information, please
Try to put me through to her in Memphis, Tennessee
