

Moonshadow

Cat Stevens

All: I'm being followed by a moon shadow
moon shadow—moon shadow.
Leaping and hopping on a moon shadow
moon shadow—moon shadow.

Men: And if I ever lose my hands, lose my plough, lose my land,
Oh if I ever lose my hands
Oh if...
I won't have to work no more.

Women: And if I ever lose my eyes, if my colours all run dry,
Yes if I ever lose my eyes
Oh if...
I won't have to cry no more.

All: I'm being followed by a moon shadow
moon shadow—moon shadow.
Leaping and hopping on a moon shadow
moon shadow—moon shadow.

Men: And if I ever lose my legs, I won't moan and I won't beg,
Yes if I ever lose my legs
Oh if...
I won't have to walk no more.

Women: And if I ever lose my mouth, all my teeth, north and south,
Oh if I ever lose my mouth
Oh if...
I won't have to talk...

<instrumental>

All: Did it take long to find me? I ask the faithful light.
Did it take long to find me, And are you going to stay the night?

Women: I'm being followed by a moon shadow
moon shadow—moon shadow.
Leaping and hopping on a moon shadow
moon shadow—moon shadow.
