

Always On My Mind

(originally by Brenda Lee)

Men: Maybe I didn't love you quite as often as I could have
And maybe I didn't treat you quite as good as I should have
If I made you feel second best girl I'm sorry I was blind

All: You were always on my mind
You were always on my mind

Women: And maybe I didn't hold you all those lonely, lonely times
I guess I never told you I'm so happy that you're mine
Little things I should have said and done I just never took the time

All: But you were always on my mind
You were always on my mind

All: Tell me
Tell me that your sweet love hasn't died
And give me
Give me one more chance
To keep you satisfied
I'll keep you satisfied

<Instrumental Interlude>

All: Little things I should have said and done
I just never took the time

All: But you were always on my mind
You were always on my mind
You were always on my mind
You were always on my mind
